THE NEXT GENERATION OF LIVING

For four generations, Stanford has been dedicated to creating spectacular new home communities. Our legacy of quality and craftsmanship spans 60 years, beginning when our grandfather started the business. As Stanford was passed down to each new generation, we've made sure to stay true to our roots and core values – while always adapting to the demands and desires of today's families.

MORE THAN 10,000 HOMES

The more than 10,000 homes we're proud to have built have earned us our reputation as one of the GTA's top home builders.

Combining the best of traditional craftsmanship with modern conveniences, we believe in providing families with the choice of single-family homes, townhomes, and condos at competitive prices.

LUXURIOUS FEATURES

Since the very beginning, we've understood that incorporating breathtaking architectural elements, quality craftsmanship and luxurious features into our homes are the best ways to continue creating the cherished communities that Stanford homeowners have come to know and love.
